

# PTS Traveler Units

**Check out the cities and industries you can explore through the PTS Traveler course and the life skills you will learn along the way!**

*This mobile-optimized, game-based online course was made possible through a partnership between International Youth Foundation and PepsiCo Foundation.*

## Meet Passport to Success Traveler

Prepare to go on an adventure around the world with Passport to Success (PTS) Traveler, a global life skills training program. Discover what PTS Traveler has to offer and learn how to navigate the platform.

## Sky-High Confidence

In **Paris**, build your confidence and demonstrate assertiveness in the supply chain and logistics industry. Learn to speak up and respectfully share your ideas. You will have sky-high confidence in no time!

## Gender Ambassador

Gender inequity is a challenge you and your fellow travelers can tackle. At a nonprofit in **Berlin**, learn about the dynamics of gender-based discrimination and become a gender ambassador for change.

## Now Boarding: Passport to Success Traveler

What type of traveler are you? The PTS Traveler quiz will reveal your traveler type and uncover your strengths and areas for growth. Before embarking on your adventure, customize your Traveler avatar!

## Getting There Together: Cooperation & Teamwork

In sunny **Durban**, practice teamwork to meet the needs of the growing renewable energy sector. You will find managing your emotions and respecting others are key to being a good team player.

## Making Connections: Communication Skills for Professionals

Don't let missed connections or miscommunications put a damper on your travels. In **Cairo**, strive to understand—and be understood by—others to achieve excellence in the food and beverage industry and beyond.

## Chart Your Course

Reflect on where you have been and plan for your future in Nassau. Afterward, answer a short questionnaire to receive your PTS Traveler Learning Journey—your recommended travel itinerary for the course.

## On-Time Arrivals: Managing Your Time

Your flight to **New Delhi** will be right on time! Experience the retail industry and make the most of your visit to India by learning about time management and goal setting best practices.

## You: The Business Traveler

Make a positive first impression around the globe. Starting in **Moscow**, practice the etiquette and professionalism of the business world as you try out the oil and gas industry.

## Destination: Career Success

Want to learn more about yourself? In **New York City**, reconnect with a few of your mentors from previous stops as they guide you through personal assessments and discussions about your career goals.

## Cultural Connections: Respecting Diversity

In **Toronto**, a city known for celebrating its diverse population, get acquainted with ecommerce and discover the importance of an inclusive workplace where everyone feels welcomed and respected.

## Smooth Sailing: Managing Conflict

Explore **Mexico City's** manufacturing industry and discover techniques for managing conflict. The workplace is not always smooth sailing, so you will practice giving and receiving feedback and learn how to best cope with stress.

## Landing the Job

Touch down in **São Paulo**. Explore innovations in agribusiness while you practice self-presentation and interview skills. With this information, you will have all the tools you need for a successful job interview.

## Welcome Aboard: Customer Service Essentials

In **Tokyo**, learn the components of excellent customer service while caring for others and addressing complaints in the healthcare industry. You'll be able to serve diverse customers and address their unique needs with patience and respect.

## Budget-Friendly Behavior

Even on a virtual world tour, you must make budget decisions. Travel to **Mombasa** and learn useful saving and buying strategies to help you reach your financial goals while in the sustainable tourism sector.

## Rules of the Road: Values and Ethics

Everyone lives by their own values and ethics. In **Melbourne**, identify the values most important to you and understand the principles of ethical decision-making through your work in cybersecurity.

## Problem Solving: Finding Alternate Routes

There is often more than one way to solve a problem. At a startup in **Singapore**, sharpen your creative thinking skills in the technology sector. What better place to think outside the box?

## Leadership: In the Pilot's Seat

The construction and real estate industries are booming in **Dubai**. Discover your personal leadership style, learn how best to work with others, and show you have what it takes to be a responsible leader with initiative.

## Questions?

If you have additional questions about PTS Traveler or the partnership between IYF and PepsiCo, please visit the [IYF Atlas Support Portal](#) for more information.
